Since 2014, the Berlin branch of 180 DC Berlin has worked with a multitude of diverse small businesses, start-ups, and non-profit organizations within Berlin. Below is a list of the names and web addresses for our “Project Partner Alumni,” which we hope will help our community gain a better understanding of the program that the 180 DC Berlin branch manages, as well as a sense of which incredible organizations consultant alumni can be connected to through our network!
